Artwork Medium _____ Website _____

Eight Artists will be selected from the waiting list for each occurring show at the EDHAA-Teaspoon Gallery. Each showing will run for 2 months. At the end of each showing, the next 8 artists on the wait list will be selected to participate in the next show, and notified by the Teaspoon Gallery Coordinator. The Gallery is year-round so there will be 6 separate shows each year. The Gallery can only accommodate 2D hanging works of art. Giclees are allowed. All works should be appropriately framed (or gallery wrapped); no saw tooth hangers. Artists must be a current member of El Dorado Hills Arts Association.

Each artist will get a space 5.5' wide, including 2-3 hanging cords and up to a total of 4 hooks. On the installation date, each artist will be responsible for hanging their own work. Each artist will also provide their own tags for each work of art, including contact information for anyone interested in purchasing the artwork. All sales are handled directly with the artist. If the artist sells a work of art, the artist may arrange with the buyer to take possession, and the artist will be responsible for replacing that work of art in the Gallery with something else.

There is no fee for showing your work in the Gallery. There are no commissions collected by the Gallery. El Dorado Hills Arts Association and the Teaspoon reserve the right to refuse art depicting inappropriate content.

Installation of a new show will occur on approximately the 15th of every other month. The Gallery Coordinator will notify the artists at least 2 weeks prior to the installation date and time. If you are unable to bring your work in at this time, please arrange for another person to deliver and hang your artwork.

ARTWORK SIZE RESTRICTION: Your artwork must fit within the linear 5.5 foot space.

LIABILITY and INSURANCE: The Gallery will take all reasonable care to ensure safety of the artwork while displayed at the EDHAA-Teaspoon Fine Art Gallery. However, Teaspoon and EDHAA are not liable for any damage or loss to the artwork while in the Gallery's possession. The artists are encouraged to carry their own insurance for the artwork while on display.
